SIR:

In response to the notice of DISMISSAL from the Office of Petitions dated December 29th, 2006 respective to the Petition filed on September 5th, 2006 and respective Notice of Abandonment Mailed 2006, August 30th, Applicant requests to reconsider the Petition to revive the subject application based upon the following:

Applicant submitted issues fees for the subject application and submitted the incorrect application numbers on June 7th, 2006. The Fees were due on July 28th, 2006. Applicant submitted issue fees for the subject application, but inadvertently submitted the fees on papers identified for a previously issued patent, US Patent Application number 10/704,517. Applicant believes that the USPTO had enough information and time to notify the Applicant that the fees were paid to the incorrect

Application Ser. No. 09/939,865

Supplemental Petition to Withhold Abandonment

Application, as the indicated application had already issued. Thus, Applicant would have had sufficient time to resubmit the fees to the correct application number.

Fees originally paid to 10/704,517	May 16 th , 2005
Application 10/704,517 issued	Oct. 4 th , 2005
Notice of Allowance Mailed	March 28 th , 2006
Fees paid for subject application	June 07 th , 2006
Fees received by USPTO	June 12 th , 2006
Fees due	July 28 th , 2006

Applicant respectfully notes that the USPTO had approximately 7 weeks to notify the Applicant of the fees collected against an incorrect application number, more specifically an application that had previously issued.

The USPTO has noted that the 10/704,517 file clearly indicates that an overage of fees were paid.

Applicant therefore believes there was sufficient information and time for the USPTO to notify the Applicant of the error in payment.

Applicant respectfully petitions to:

- 1) Withdraw holding of abandonment of Application No. 09/939,865.
- 2) Apply the fees submitted on June 07, 2006 from Application No. 10/704,517 to Application No. 09/939,865.

Application Ser. No. 09/939,865

Supplemental Petition to Withhold Abandonment

Applicant earnestly believes that Applicant had previously submitted sufficient evidence that the payment was made in a timely manner (June 07, 2006) for a due date of July 28th, 2006.

Applicant respectfully requests the Office of Petitions reconsider this petition based upon the supplemental argument provided herein, transfer the issue fees from Application No. 10/704,517 to Application No. 09/939,865, and withdraw the holding of abandonment of Application No. 09/939,865.

CONCLUSIONS

Applicant believes the submitted petition presents sufficient evidence that the Applicant made a bonafide attempt to submit the Issue fee and respective publication fee for the subject application prior to the due date of July 28th, 2006 with sufficient time (7 weeks) to correct any errors.

Applicant respectfully requests the supplemental petition be granted and the abandonment of the subject application be withdrawn.

Applicant respectfully requests the Issue fees currently credited to Patent application 10/704,517 be transferred to patent application 09/939,865.

Application Ser. No. 09/939,865

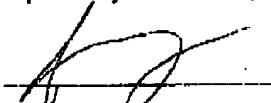

Supplemental Petition to Withhold Abandonment

Applicant has submitted a petition to revive the application based upon unintentional abandonment under 1.137(b) submitted in parallel herein as agreed with the Petitions Attorney.

Should this petition be granted, Applicant respectfully requests a refund of the \$750 fee submitted respective to the petition to revive the application based upon unintentional abandonment under 1.137(b).
